

RECALL

Ex Libris

Henry S. Dunbar III

You left a home for nothing
And came to A.M.A.
And the first time you walked past the arch
You longed for the close of day.

As taps that night slowly sounded
And you lay down on your bed,
Thoughts of your folks and village
Went racing through your head.

You'd come from a family of nations
To this school among the hills
And you found the road pretty bumpy
As the lingering weeks passed still.

But then one bright clear morning
As the grass lay white with dew,
A thought awakened you early
"You came from Augusta too."

D EDICATION

We, the Staff of the 1944 Recall
proudly dedicate this annual to
COLONEL THOMAS J. ROLLER
and
MAJOR CHARLES S. ROLLER, JR.
our co-principals

To "Uncle Tom" and "Big Boy" we pay this small tribute.
They are men of outstanding character, justly considered two
of Virginia's leading educators.

In them lives A.M.A., whose sole purpose is to make men.
Through the efforts of Colonel and Major, the A.M.A. graduate
is able to go forth into the world prepared to face the good
and bad of life. Our love and appreciation for these two gen-
tlemanly scholars cannot be portrayed in words, but we hope
that this dedication will partially express our feelings.

FOREWORD

Today the Cadet Corps of 1943-1944 goes forward into the greatest struggle of the ages. Friends part, not knowing if they will ever have a reunion. Realizing this, the Staff of the 1944 Recall has attempted to create in this annual a lasting record of the cadet days gone by.

Book Two
CLASSES

DIPLOMAS

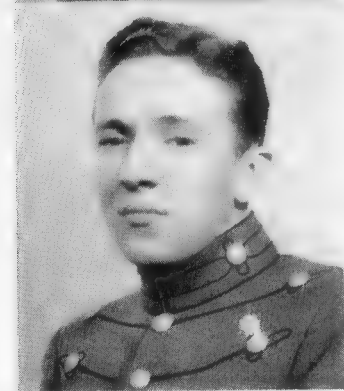

MILES S. AMICK

"Star," as he is known throughout A.M.A., kept the entire corps in good spirit by his ready smile and wit. As we regretfully bid you farewell we say: "You don't need luck, you just need a chance."

J. VICTOR ARTHUR, JR.

To "Vic" we say this: "Your good nature and fine figure will always remind us of everyone's friend—you." Excelling in academic and military life you have painted a bright future for yourself. To a fine student we sorrowfully bid good-bye.

JAY D. BRAMMER

"Sonny" arrived at Augusta two years ago. His smiling face, as he carries the company guidon throughout Sunday parades, will be remembered for years to come. To you Sonny we say good luck and great success at V.M.I. and the Navy Air Corps.

H. CHARLES BREITSTEIN

"Seabiscuit," loyal war horse of Company "C," came to us two years ago. His great success on the swimming team will be long remembered. Hoping to follow his father's footsteps as a doctor, we know he will be a great success. We bid a sad farewell to a swell fellow. Good luck, "Doc Seabiscuit."

DIPLOMAS

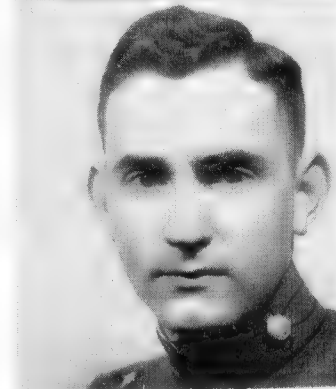

ROBERT G. BREWER

Bob, a third year man from sunny Cuba, has an eagle eye for targets. Not only for women but with a blazing .22 on the range. His success throughout his three years at Augusta has been proven by his long range hops from a private to a captain. Bob leaves us now to go to the University of Pennsylvania. We know that he will have the same success there as here. So-long, pal.

JOHN L. BUTLER

Johnny, one of our scholared new cadets, is known for his continued attendance on the A.M.A. Honor Roll. His pleasing personality and winning smiles had made many friends for him at Augusta. To you, Johnny, we bid a sad good-bye. Good luck to a grand new cadet.

NEVILLE L. CHANCEY, JR.

"Chan," one of our best second year men, is leaving Augusta to go to the Navy. "Chan" says he wants to be an electrical engineer, and we know he will be a great success. To you, "Chan," we bid bon-voyage. May you have as much success in the Navy as you have had here at Augusta.

*Dear Dunny
Lots of luck
in the future
and when you
enter O.N.T.
I hope you'll
make you
1st captain
"Chan"*

JOHN L. CODLING

Jack is known to us all as a dashing back on the gridiron. His handsome looks are known to many women with whom he has attained great success. His pleasing smile and quick wit have won him many friends during his two years' stay at Augusta. Good luck pal, and we know you will have great success in later life.

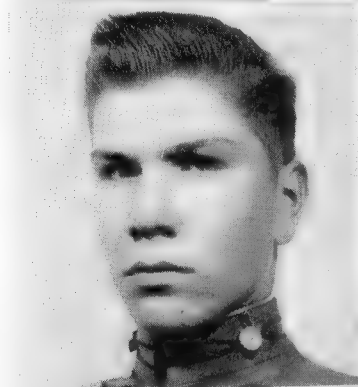

DIPLOMAS

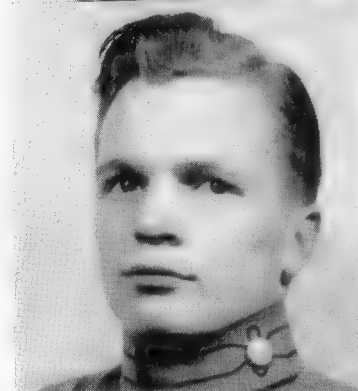

GRAHAM WILSON DARDEN

"Dizzy," as he is commonly known, has excelled in most of the sports offered by A.M.A. He is a well liked boy and is very popular with the corps. His patriotic enlistment in the Army Air Corps has proven his love for his country. To "Dizzy" we say "lots of luck to a swell fellow who has given the trig class more than one laugh."

JOHN C. DASHIELL

"Jack" came to us with a very high scholastic rating. Since then he has made the honor roll every month besides taking a part in other activities. His success is assured, and as he embarks on the sea of life, we say "Bon Voyage."

FRANK L. DAVIS

"Shorty" is one of A.M.A.'s "brains." He has made up for his short height in wit and jovial manners. He also made up his mind to "keep 'em flying" by joining the Army Air Corps. Best wishes to a man whose ambition will chart a course of success throughout his life.

ROBERT H. DERCK

About "Derky" not much can be said. He is a swell guy, and is another one of those "model cadets." His scholastic record at A.M.A. has been superb and in union with this, all sports are his weakness. Lots of luck and best wishes to a fine gentleman.

DIPLOMAS

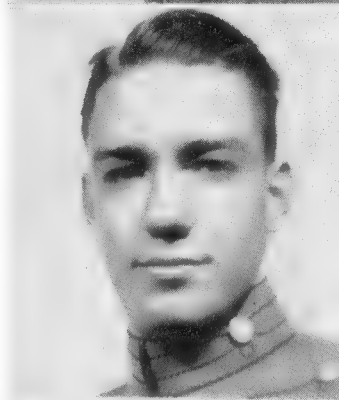

LEON F. DOUGLASS, III

Dave came to us three years ago with a smile on his face and a joke on his lips. He is always ready with a "crack" that would make "King Tut" turn over in his grave. As President of the Cotillion Club he has given the corps some of the best dances A.M.A. has seen in years. His untiring efforts and work on the RECALL staff will not go unheeded. To Dave we wish a fruitful and happy life.

HENRY S. DUNBAR III

There is a certain phrase that can best describe Henry to all. "Wise men say little." In his two years at A.M.A. he has proven himself worthy of all honors that have been bestowed upon him. He is a valuable member of the *Bayonet* and RECALL staffs, besides being on the Honor Committee. As good-byes are said Henry, the best of luck and manyfold successes are wished upon you.

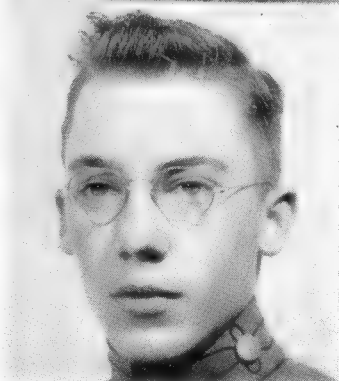

J. DAVIDSON EBORN, JR.

In Dave we have a man on whom many of the highest honors offered by Augusta have been showered. In his four years at A.M.A. he advanced from a private to the rank of First Captain. He is President of the Student Body along with holding high office in other clubs. He was also President of the Final Ball. His stern nature and sound advice have helped many cadets over a river of difficulty. You, Dave, will succeed in all you undertake, we predict.

DONALD P. ELSTON

"Snort," one of our happy-go-lucky new cadets, can always be counted on for a laugh at any time. His great success here at A.M.A. was making many friends. If he continues this it will take him anywhere in life. So-long, "Snort," and good luck.

DIPLOMAS

WILSON C. HAYES

"Buddy" leaves Augusta with a brilliant sports record behind him. He has more than once proven himself valuable to the corps in all his work here. He will succeed in all his undertakings and will make a fine friend for all. We wish you lots of luck in your future, Buddy. and we know you will get what you deserve.

FRANK C. HAYDON

"Haydie" is another new cadet this year, but has ably proved himself as a worthy cadet by his studious work. He made many friends among the cadets here and has succeeded in all undertakings. We feel that "Haydie" will be a huge success in later life, and that he will be liked by all.

JOHN W. HEVENER

"Jack," a sergeant in "A" company, has gained many honors while attending Augusta for the past two years. His untiring work on the Honor Committee and Fencing team has shown us that he is a square shooter.

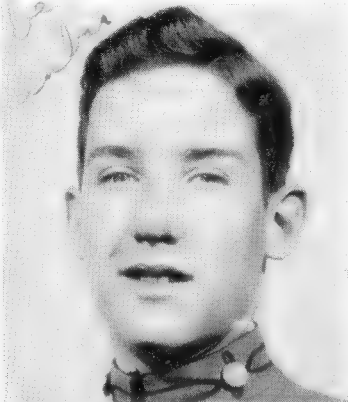

JOHN W. HOCKMAN

Johnny, one of our hardest workers this year, came to Augusta three years ago. He has achieved great success in many things and his untiring work in the armory will not go unheeded. To you, Johnny, we say, "Keep 'em Flyin'," and get one for us.

DIPLOMAS

WALTER A. HOLT

"Tim," as he is known at Augusta, came to us two years ago. Popular with the boys and a grand fellow in general has made "Tim" outstanding here. To you, "Tim," we wish all the best of luck while you attend the University of North Carolina and then enter the Army Air Corps.

GENE E. KLINE

"Scoop" started his newspaper career before and while at Augusta. His untiring efforts to give the cadets something new in the *Bayonet* and RECALL will not go unheeded. To you, "Scoop," our best wishes, and may your ambition to become an editor be fulfilled.

ROBERT W. KNOX, JR.

Bob has turned out to be one of the best new cadets at Augusta. His ambitions to study medicine at Cornell are held high by all who know him. Lots of luck, "ole man," we know you will be one of the best.

PETER LEAR

"Pete" entered upon his career at A.M.A. last year, and has since become as much a part of Augusta as the sentry box. His patriotic enrollment in the Army Air Corps will always be remembered at Augusta. The best of luck, "Pete," we know that you will make a wonderful officer.

DIPLOMAS

ALBERT L. McQUILLEN

"Mac" took leave of us at Christmas to assume new duties with the Air Corps. He leaves behind him an enviable record of unbounded friendliness with the corps in general. Take care of yourself, "Mac," and be sure when you're out there with your new buddies to remember your old buddies at A.M.A.

JAMES M. McCANLESS

Jimmie we send away with a sad goodbye, but with the knowledge that he will make one of our best Army pilots. We only hope that you will be a little harder on the enemy than your personality was on us. Best of luck, Jim, and happy landings to a swell fellow.

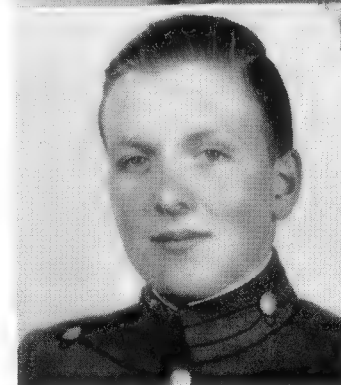

J. HOWARD McGLOON

"Mac" arrived at Augusta three years ago to take his place as one of the great fencers of Augusta's history. This year he became captain of the team, taking all honor and losing none. Good luck, "Mac," may success follow in your footsteps wherever you may go from Augusta. As for the corps, all we can say is that we are the loser upon your graduation.

WILLIAM H. McOWEN

Bill came to us five years ago and in that time has proven himself a worthy friend of all cadets. He has been on the swimming team for five years and this year became its captain. To "Mac," a swell guy and a great swimmer, we say good luck in everything you do. "Mac" plans to pursue the profession of medicine in his future days and in this we know he'll make a big success.

Dear Jimmy:
It was a pleasure to have you on the team...

DIPLOMAS

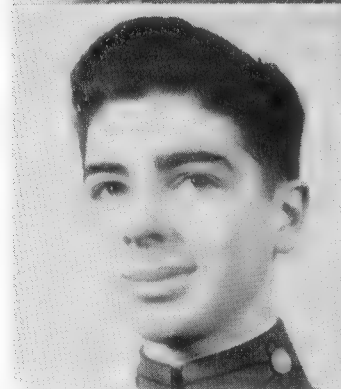

ROBERT S. PAGE, JR.

"He's quiet until you know him." That fits our Bob to a "T." Since coming to A.M.A. three years ago he has proven himself without a doubt that he will accomplish all that's set before him. Bob was a member of the "4th Stoop Tower Gang," but he was the least trifier of all. He was an ardent fan of the books and knowledge fast came to him through his studies.

ANGELO PAPPAS

"Gus" is well noted for being down to ranks by first blast and we know that he seldom ever missed. Our best wishes go with "Gus" as he enters the Army Air Corps and we know he will make a wonderful officer. Gus was a famous lad for the opposite sex and he was always full of fun. Whenever around he brightened things up, and his knowledge in literature, plus his quick wit won him many friends.

CHARLES K. POLISHER

"Charley" will not only be remembered by his classmates as a fine fellow, but as an outstanding boxer. He will be remembered by many of his opponents who were on the receiving end of his fistfulls of leather. We know him to be ambitious, an asset to any young man. His success will not be hindered and he has our best wishes.

GERALD M. REGER

"Jerry" is a greatly admired cadet as well as being a casanova and a pretty boy. We can expect only the best of "Jerry" Reger. Good Luck, "handsome," don't break too many hearts!

DIPLOMAS

ROBERT E. ROGERS

Bob was one of the few who rated to room with three others. His constant endeavor to work and work hard, proved a valuable asset to him at Augusta. His pleasing personality won many friends and his "way" with the girls of Mary Baldwin College was startling to watch. His favorite pastime was, believe it or not, studying. To Bob we wish the best of luck and we know his will and endurance will always keep him.

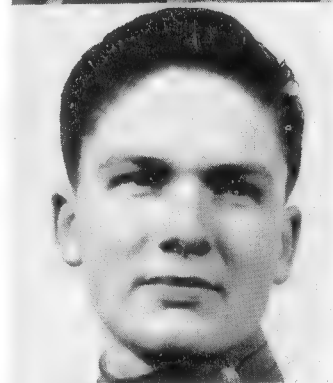

H. RUTHERFORD ROSEBRO, JR.

To humorous "Rosie" we bid a fond farewell. A popular cadet of outstanding wit. His corny jokes and favorite expressions are to be remembered. "Rosie" is one of the most cooperative boys that A.M.A. has. We all know he will continue to be what he has been at Augusta. He is destined to be a success and we wish him the best of luck.

ROBERT J. ROESSLER

"Bob" answered his call to the colors early in the school year. The Army's gain was our loss. In "Bob," the Army received a man, a person of great character, who is ever to be remembered by his classmates. When the war is won, "Bob" will join the ranks with the rest of the successful American men.

RICHARD R. SAUNDERS

"Dick" Saunders on the surface, has been a trifier, but down deep we know him to be a real person. He leaves his classmates knowing that his quality of making good friends will be the stepping stone to his success. Good luck to "Dick," who is destined to be a "Beau Brummel" of Richmond.

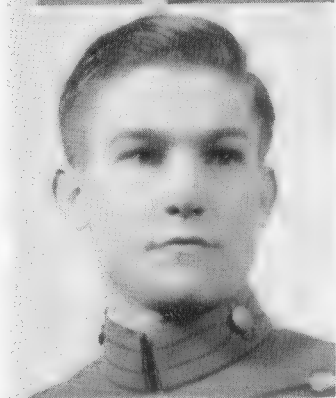

DIPLOMAS

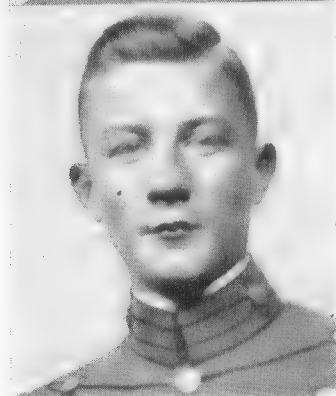

FRED L. SILVERMAN

"Fritz" is one of our fourth year men who has proven his value to the corps. He is noted for his rabid interest in baseball and ice hockey. He has a sense of humor that is hard to beat and this has enabled him to make many friends. We feel sure in saying that Fritz will make a huge success out of life.

BILLY L. SMITH

"Smithy" is another new cadet who has been here such a short time that it is hard to say much about him. He was a member of the 1st Stoop Club and made many friends with his fellow cadets. "Smithy" leaves a clean record behind him at Augusta and we know that he will out-do any person in what he undertakes.

EDWARD M. SPRATLEY

Mention the name of "Ned" Spratley around Augusta and all will know it. When he leaves Augusta he plans to enter V.M.I. With his record of merit here behind him we feel sure that he will succeed. Good luck, "Ned," and may all the success due for you come.

WILLIAM C. STUART III

Post Graduate

Bill Stuart leaves Augusta with a blazing record behind him. He has held many honors while being here and was elected to the most honored club, the "Ad Astra Per Aspera" organization. He was the best natured cadet here and his neat ways made him a friend of all. We know that you will be a huge success in later life, Bill, and we wish you the best of luck.

DIPLOMAS

JOHN H. SWEATT, JR.

"Johnny" came to us from that cold country called Maine. His grand sense of humor and outstanding personality has won him many friends. To you, "Johnny," we say the best of luck in everything that you undertake.

BASIL I. TARICHE

"Terry," in three years has risen from an insignificant private to a lieutenant of unprecedented heights. His untiring efforts as a member of the Cotillion Club will never be forgotten. To our Latin American friend we bid a fond farewell and wish him the best of everything in all he undertakes.

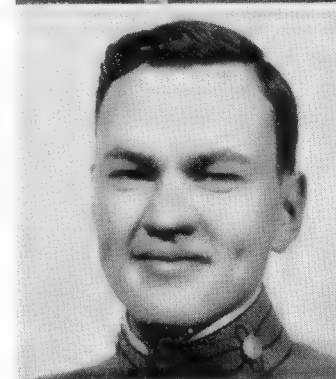

WILLIAM N. THOMAS, JR.

"Bill" has become one of the most popular cadets of his class during his two years at Augusta. He is considered by all as one of the best natured cadets in the corps. Best of luck to a swell fellow as he enters Millard's School to prepare for West Point.

F. RICHARD THOMPSON

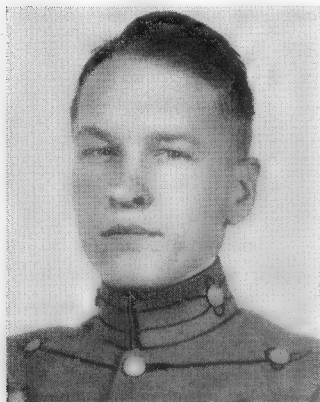

Fred was a quiet new cadet this year and that makes it hard to say anything about him. He was a very studious boy and did his best for his company. He won many friends at Augusta and we feel sure he will be a huge success in later life.

DIPLOMAS

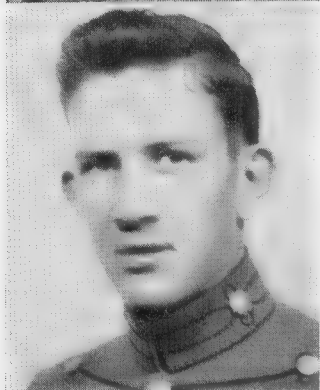

R. FRANKLIN THORNHILL, JR.

Post Graduate

In Frank Thornhill we have a man who has proven himself a great asset to A.M.A. First, he has excelled as a student. Second, his efforts to assist everyone concerned with A.M.A. for the betterment of the school have been unselfish. Major Roller's "right bow," goes forth, first to serve his country, and when the war has been won, to lead a successful life. Good luck to the man with the mysterious nickname of "sly."

CLAY L. WELKER

"Clay" will always be remembered by his grand personality and handsome features. A quiet, well liked boy, with a facility to make a friend, will, we are sure, aid him in later life. So long, "Clay," we know you have the stuff to put it over.

T. SPOTSWOOD WEST

"Spotty" is one of the best liked fellows at A.M.A. Always willing to oblige when you need a laugh and always saying just the right thing. As manager of the football and basketball teams, he became loved by everyone because of his fine character. We know that success will follow him in whatever he may choose as his career.

JULIAN D. WHITE

"JD" came to us unheralded in September. In the short months of the school year he has made many outstanding friendships. As a new cadet he can be considered one of the best. In his activities at A.M.A. he has proven interested and successful. He is a fine gentleman and a man that can be depended upon. We can expect nothing but the very best of handsome "JD."

DIPLOMAS

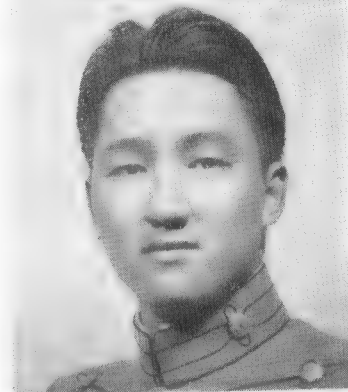

MELVIN D. WOLFBERG

"Wolf," and it means what the name implies, is one of our best athletes. He is an insurance of success and we feel that the Navy will have a boom season with this donation from A.M.A. Seeing him go is one of the saddest things that we have to experience, but we feel sure that he will enter other's hearts, as he has held his place in ours.

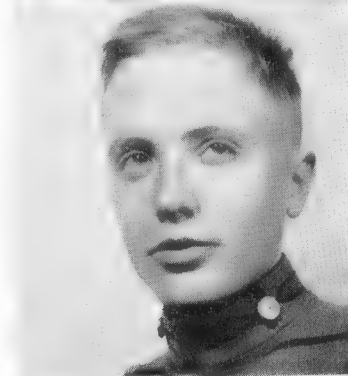

GEORGE R. WONG

Not much can be said about such a quiet boy as George, but those who know him best have found him easy to get along with and happy-go-lucky. His broad smile which accompanies him wherever he goes makes him easy to be recognized. So with best wishes to another Latin American brother we sorrowfully bid good-bye.

JOHN B. WOODWARD

"Jack" came to us with a fine record from Newport News High School. In his one year here, he has proven himself to be a good new cadet, an outstanding student, faithful athlete, and a well liked boy. Our best wishes go to Jack whom we are confident will be successful in whatever he undertakes.

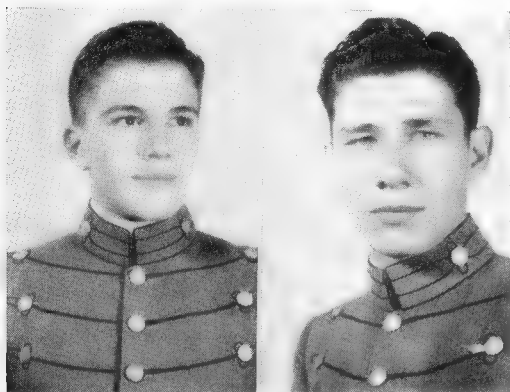

NICHOLAS R. WREDEN, JR.

"Nick" is one of our gross new cadets. His art and humor which adorn his walls on Sunday morning, have given our commandant more than one of his gray hairs. Our best wishes go with "Nick" and his ambitions as he enters an Institute of Art to become a Grand Master.

MAJOR ARTHUR BLACKBURN
P. M. S. and T.

Military Tactical Officers

Major Arthur Blackburn as head of the Military Department at A.M.A. has proven himself a true gentleman and an officer of the highest standing. His genuine personal interest in A.M.A. is well proven by the military bearing of the cadet corps. Also detailed here by the War Department are Sergeants George E. Michael and C. C. Collison, who have been most able assistants to Major Blackburn. Lieutenant Colonel Warren S. Robinson, Major W. P. Cherrington, and Major H. D. Deane of the school staff, are also to be commended for their assistance in the military advancement of the cadet corps.

Varsity Football Team

The 1943 Football season saw our team winning over V.S.D.B., Massanutten, Hargrave, and Fishburne and losing to Greenbrier, Fork Union, Navy Plebes and Woodberry. Coach Waleski, building his team around last year's remaining veterans: Null, Bill Eddy, Hayes and Slagle, developed his entire squad to the highest point of efficiency. The opening game of the season with Woodberry saw our team going on the field with but a week's practice and drill against Woodberry's usually well balanced team. A.M.A. yielded four touchdowns in the first but held Woodberry for the balance of the game.

Against V.S.D.B., A.M.A. expected an easy time, but were surprised when they scored after two minutes of play. A.M.A. came back and held a 13-6 lead at halftime. Both teams scored again in the third quarter and after that V.S.D.B. was kept far from our goal marker.

Massanutten came to Fort Defiance determined to win only to leave after being defeated by a very alert blue and white eleven. Had we wished it, the score could have been much larger, for we stopped M.M.A. time and again.

The next game was with Hargrave, which team went down to defeat by the score of 14-7. A.M.A. got off to an early start and never yielded the initiative. The most thrilling moment of this contest was when Null tossed a long pass to Almacen, who scampered seventy yards for our second score.

Fork Union, Greenbrier and the Navy Plebes were our next and worthy opponents, but they showed us that we were playing against opponents outside of our class. Each of these schools had three or four teams of equal caliber and they chose to use them to advantage against us. We put up a game fight but the odds were too great.

In the season's finale we won our most cherished honor when we decisively downed Fishburne by the score of 14-0. It was A.M.A. all the way and Fishburne seldom threatened and then they were thrown for a loss or loss of the ball. It was a glorious way to end the season.

Peep Football

The most distinctive item of interest about this team was the fact that they practiced without the aid of uniforms and on the rocky and hard soil of the rear athletic field. However, by this rude method of conditioning we did come through the regular season without having any score made against us. 'Tis true that we played one team four times but our regularity in development with the passing of the season was evidenced by the fact that our first team played but one entire game, the first.

The first game with Waynesboro found us at its close winners by a 9-0 score. Using uniforms for the first time slowed our eleven up so that many a score was muffed by our clumsiness. Tariche, Wasco, and Heizer accounted for our touchdown, extra point and safety.

The second game was played at home and we saw Heizer racing sixty yards for a tally; Wasco traveling forty yards; Farley scampering seventy yards and Green bucking the line for scores. Of course all of this was possible only through the splendid blocking of their teammates. In the second half the A.M.A. Minnows finished the game and put up a splendid display against heavier odds. In the third game the Peeps played one quarter and ran up a score of 21-0 with Gardner, Heizer and Wasco scoring. Then the second team entered and Spratley, intercepting a pass, ran fifty yards for the final score. The balance of the game was played by the Minnows. In the final regular game A.M.A. went on a scoring spree with touchdown after touchdown being made. In a special game against the V.S.D.B. Varsity the Peeps met their only defeat. The Peeps made many a threat and held V.S.D.B. for a half only to weaken by injuries and finally succumb against a much more experienced team. Credit must be given to Major Paul V. Hoover for his untiring efforts in behalf of this splendid team.

Varsity Basketball

Some of the finest basketball material in evidence at Augusta for many a season came through their schedule with one of the best records in four years. With the final reading of the results of the state military schedule saw our team with four wins and two defeats. In scores A.M.A. tallied 223 points to their opponents' 156.

Beginning the season our team lost a heartbreaker to M.M.A., but in this defeat we gained valuable experience that paid us many dividends in subsequent games of a tough schedule. The Cadet Corps in the second game of the session experienced an example of A.M.A.'s traditional "go-get-'em" spirit when our quintet downed Fishburne 28-13. This spirit remained throughout the future games in which they turned the tide over Massanutten 32-31 and Hargrave 51-30. The "royal five" surrendered the next contest to Fork Union 38-32. The next game A.M.A. captured from Fishburne 55-17. The coaching laurels this year fall to Coach Waleski, who led his grand team through a tough season to a wonderful outcome and record. High scoring honors go to Chipley and his runnerup Kirk, with 163 and 130 points respectively.

Much praise must be given to "Manager" Spotty West, whose job of manager kept the team in high spirits throughout the season.

Back Row—Wong, C., Lovering, Paschal, Peed

Fencing Team

The A.M.A. Fencers enjoyed their first glorious season in the history of the sport at this school. Two opponents at this writing were the only ones to cross blades with the Blue and White foilsmen. In the first meet with F.U.M.A., A.M.A. won $7\frac{1}{2}$ bouts and lost $4\frac{1}{2}$ and scored 51 points to F.U.M.A.'s 40. McGloon and the Hevener brothers, Jack and Jimmy, won all of their matches. Ducey, Thomas, F., and Cordero showed great promise in their initial bouts.

In the second meet with Fork Union we again emerged victors by the point score of 78 to 54 and in bouts $10\frac{1}{2}$ to $4\frac{1}{2}$. F.U.M.A. exhibited great improvement in this return meet, but our superiority was always in evidence. McGloon, Jack Hevener, Fred Thomas, Don Brown, and Wasco won all of their matches. Ducey and Caudill continued to improve. In the third meet with Fork Union A.M.A. won again 8 to 5 and in points 54 to 36. Brown J.W. Hevener, and J. B. Henever won all of their bouts. Jack Hevener and McGloon won shutouts when they won bouts by the score of 5-0.

In the final meet of the season Woodberry fell victims to our Junior Varsity. Johnny Wong and Dave Brewer with Fred Hope won their matches while Scott and F. Thomas were nosed out by the margin of one point.

With the vast array of material left over for the 1945 season, A.M.A. should look forward to another great fencing season.

Back Row—Coleman, Long, Kears, Schutte, Palmer
Middle Row—McGraw, Darden, Breitstein, McOwen, Richardson, Burden
Front Row—Neff, Lever, Marable, Stern, Powell, Owen, W.

Swimming

Augusta's Tankmen set one of the best athletic records this year by ending their season with five wins and one tie. Led by Capt. Bill McOwen, the swimmers defeated all of their opponents and only once did they experience trouble.

In their first meet they defeated Fishburne 47-19, McOwen taking the pool record for the 220.

Randolph-Macon Academy went down to defeat in the second contest 38-28. Fishburne followed by going down a second time, 42-23.

In a return match with R.-M.A. a tie of 33-33 resulted and later Massanutten sank to the tune of 50-15. In a second meet with M.M.A. the Augusta cadets won 49-17.

In the championship meet held at Randolph-Macon Academy the team placed second. Only S.M.A. barred their way for the championship.

Much credit is due Major H. D. Deane for his brilliant work with the team and also to the team itself.

Boxing Team

This year Augusta started out on a boxing venture with the greenest team of its present history and proved that hard training and hard fighting make a team click. Led by two hard hitting co-captains in Terry Tariche and Adolph Null, the team won three out of its four meets. In the first encounter A.M.A. defeated Massanutten 6 to 2 and in a rematch defeated the same team 5 to 3. They then beat Clifton Forge pugilists at Augusta by the close score of 5 to 4. The only loss of the season was against Miller School. Many of these bouts were close, but Miller took the meet 5 to 3.

Captain Morrissey deserves much credit for turning out a team of this quality and only through him did Augusta have a successful season.

*Back Row—Cockrell, Brewer, R. Weed, Dunbar, Huntsberry
Front Row—Barber, Lea, Musgrave, Lear*

Rifle Team

In the first match of the season with Howe Military Academy, A.M.A. lost out by the narrow margin of four points.

The next meet was with the Navy Plebes and even though we went down in defeat, we did gain valuable experience. Musgrave was high score man with a 260 out of a possible 300.

Massanutten cadets were our next victims and we outshot them by 55 points. Weed was high score man in this meet over all competitors.

In the state meet held at Fishburne School we finished fourth and our score was only twenty points from second place. Huntsbury was A.M.A.'s high score man in this match.

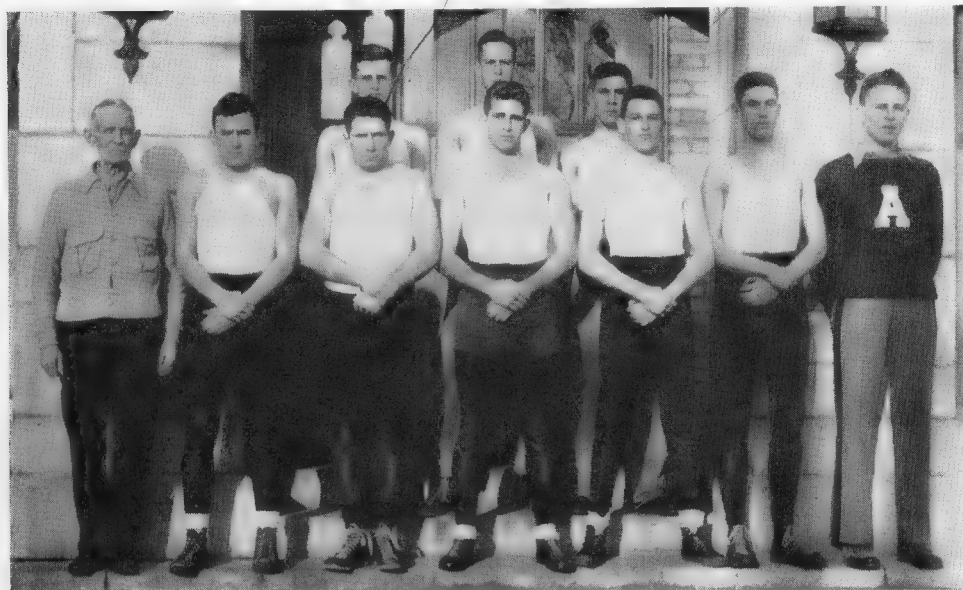

On March 5 our riflemen journeyed to Richmond and they overwhelmed the cadets of Thomas Jefferson High School by a majority of over three hundred points. Lea was high score man.

At this writing the final match was with Hargrave Military Academy and we did win this meet by the score of 1570 to 1465.

The Hearst Trophy Match is yet to be fired and we feel confident that A.M.A. will do honor to itself in this meet.

Wrestling Team

Though comparatively young at Augusta, the sport of wrestling has become one of the major athletics. The team was formed early in the school year and has been hard at work conditioning itself for the future. Led by Joe Granda, captain, the team tackled and lost their first meet to the Navy Plebes. This meet gave them much experience though, and taught them their mistakes. They defeated V.S.D.B. in their second appearance and since that time have been steadily gaining knowledge for a winning team. At the time that this annual went to press the wrestling season was still going and the outcome of other meets were not known.

Officers of the Student Body

The President of the Student Body for the session of 1943-1944 was Cadet Captain J. D. Eborn, justly rated one of A.M.A.'s best Student Body presidents. Serving with him as the leaders of the cadet corps were Cadet Captain William C. Stuart, III, Vice-President, Cadet Lieutenant Rolando Granda, Treasurer, and Cadet Lieutenant William McOwen, Secretary.

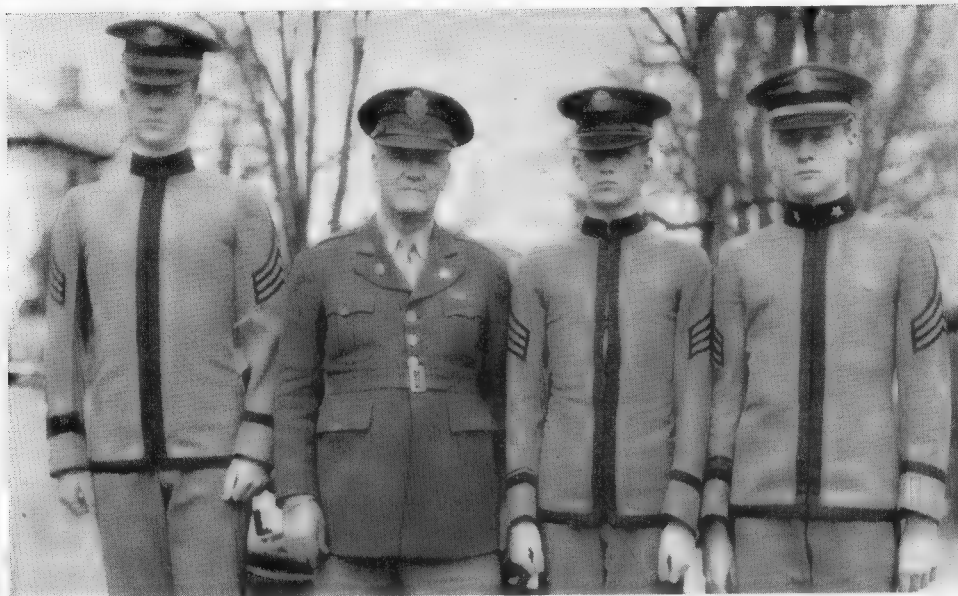

These four men working together in behalf of the cadet corps have done a splendid job. They have done their duty and done it well.

The Honor Committee

The Honor Committee this year has performed a job unequaled by any such committee of the past at A.M.A. They have worked together and received the cooperation of the cadet corps.

The men of this committee in addition to the officers of the student body, Cadets Eborn, Stuart, Granda and McOwen, are Cadets Grape, Thornhill, Brewer, R., West, Haden, Hevener, J. W., Codling, Pigg, Dunbar and Cadet Stone as adviser from the New Cadet class.

"Ad Astra Per Aspera"

"Ad Astra Per Aspera," "To The Stars Through Difficulty," the motto of our school. The "Ad Astra Per Aspera" Honorary Fraternity was organized by Major Roller in 1924. It is the highest honor that can be bestowed upon a cadet at this school. Ten new members, who have risen to the top through difficulties, are added each year. It is every cadet's greatest ambition to acquire this great honor, and we do not hesitate to state that all who are named to the organization will become a great success in later life.

The present cadet members are Captain William C. Stuart, III, who received the honor two years ago, and Captains J. D. Eborn and Fred M. Haden, who were named to the society in 1943. May all who wear the "Ad Astra" pin always remember dear old A.M.A.

The Bayonet this year was the official organ of Augusta. It introduced many new ideas to the cadets and has given future staffs a foundation for a bigger and better paper.

By far, the biggest success of *The Bayonet* is due to its hard working but small staff. Every man did his share and did it well. The paper was published bi-weekly and contained many articles of lasting interest which took place at Augusta the past year. In its folds were the stories of major happenings at A.M.A. forever to be had by those who received the paper.

The Bayonet was a valuable asset to Augusta and its cadets. It produced what is called "a morale builder" for all who read it. Its success was only measured by those who read it and it is felt that no one can complain.

To *The Bayonet* staff and to its adviser we want to say that without it Augusta would not have been as good a school as it is today.

The cadets which comprised the staff of THE RECALL of 1944 presented to the corps one of the most complete books Augusta has had. They put all of their spare time to the betterment of THE RECALL and published a wonder. Withstanding rationing, restrictions, lack of material and personnel, THE RECALL was made possible for those cadets leaving, never to return. It is hard to please everyone, but it is felt that the 1944 RECALL passed all critics.

Much credit is due to Gene Kline, Editor, Jimmy Hevener and Pedro Cordero, cartoonists, and J. D. White, business manager. Bill Jones did a wonderful job on photography as did Clinton Whitehurst on the poetry. They were all ably assisted by Dave Douglass and Henry Dunbar.

We salute the Cotillion Club of 1943-44 for the wonderful dances they gave the corps and which we couldn't have gotten along without. Led by Dave Douglass, president, and assisted by Dave Eborn, Joe Granda, Terry Tariche, and Johnny Sweatt, the Cotillion Club sponsored five formals and innumerable formal dances, all of which went over with a huge success. The formals included the "Opening Dance," "Mid-Winters," "Thanksgiving," "Easter" and "Pin-Up Queen" hops. The gym in all these cases was beautifully decorated by the Decorating Committee and beautiful gals were all around.

Without the efforts of the Cotillion Club, Augusta would not have had such a wonderful corps spirit as it did for the year. Future Cotillion Clubs will find it a hard job to keep up with the record set by this year.

Final Ball

The last social function of the year came as the Final Ball appeared at the Memorial Gym. This year Cadet Captain Dave Eborn and Miss Carla Harris led the finale which proved to be a huge success even though many obstacles faced it. The Final Ball committee, composed of Dave Eborn, president, Dave Douglass, vice-president, Bob Brewer, secretary, and Joe Granda, treasurer, along with Gene Kline, Bill Stuart, Gus Cockrell, Jimmy Coen, Johnny Sweatt and Terry Tariche gave their all for the success of the Ball.

The Figure was led and prepared by Lt. Colonel Warren S. Robinson and was one of the most beautiful sights ever witnessed.

In all, the Final Ball can be said as being a huge success for cadets, faculty, parents and alumni alike.

The RECALL

Class Prophecy

The scene—Academy Campus—the date—June 1954. Action takes place the afternoon and evening of the Final Ball.

The World War II came to a close with the defeat of Germany, October 1945 when an A.M.A. Alumnus and his dear friend rode down the "Under Der Linden" Boulevard in Berlin; the war with Japan being climaxed with an eminent alumnus leading the final attack on Tokyo which forced Japan to her knees, June 1947. Many events have taken place since those memorable days and the world has returned to a state of normalcy with the election of a famous Augusta man as President of the United States. The month of roses has brought back many sweet memories and every alumnus within a radius of a thousand miles has returned to pay honor to the co-principals of A.M.A., "Uncle Tom" and "Big Boy," who have just dedicated many new additions to A.M.A. A new mess hall with a seating capacity of 1,000 cadets has just been opened to official use. This was made possible through the efforts of the class of 1944, who contributed over \$150,000. It lies situated between Colonel's house and the Main Barracks. Pardon me, Red Allyn just approached to inform me that he has been divorced again, and this time has married another heiress whose fortune is estimated to be in millions. He has just promised me a new Academic Building in memory of his first wife. Red is now engaged in the theatre business. His most recent play was "Too Many Broken Hearts." Vic Arthur is the leading criminal lawyer of Winchester. Bearden and Bello just dropped in to say hello. Joe has inherited his father's contracting business in Washington and is now constructing a memorial to Robert E. Lee, which has been made possible through the efforts of the Governor of Virginia, Graham Darden. Bearden is now in General Marshall's staff as advisory expert on aviation. Bob Brewer was recently elected representative to Congress from the state of Cuba. Cuba was admitted to the Union through the efforts of the law firm of Darden, Davis and Pritchett, experts in international law. Charlie Bryan, who was injured leading the attack on Tokyo and who has been retired from active service, is now conducting his father's farm, which is the main source of supply for "Bryan's Gentle Milk," one of the talking points of Virginia schools. Butler and Burt are now in Hollywood where they are movie producers. Jack Codling is now J. Livingston Codling, Baltimore's leading manufacturer. Chancey is conducting a chain of restaurants after his experience at A.M.A. Derck and Dashiell stated that they have just purchased S.M.A. and will run it along A.M.A. lines. Douglass has just signed a contract taking Bob Hope's place on the Jello Program. Dunbar is now teaching tactics at V.M.I. Eborn has inherited his father's lumber business and is now interested making Washington, N. C., the same kind of city that Washington, D. C., is. He is mayor, president of

the bank, head of the Chamber of Commerce, and many other activities too numerous to mention. Edelman is now district attorney of Reading, Pennsylvania. Georger liked A.M.A. so much that he has purchased a third interest in the school. Granda, who until recently was head of the Cuban Navy, has returned to his sugar factory. Joe also does a lot of professional fencing and wrestling on the side. Fred Haden is now happily married and the father of five cunning children. Hayes and Haydon, F. C., have just formed a partnership which will deal in fertilizers. The Hevener Brothers, Jack and Jimmy, have taken Don Brown into their business, which consists of manufacturing Mars Cargo Planes. Hockman is chief pilot of Pan American Airways. Holt is a retired gentleman farmer of North Carolina.

Kirk is now head football and basketball coach at the University of Virginia. Gene Kline is at last a real editor of a real newspaper. He has succeeded his father as manager editor of *Squirrel Hill Times*, the most outstanding newspaper of Pittsburgh and Pennsylvania. Musser just recently returned from his dramatic tour of Europe. He was awarded the title of "America's Perfect Lover" in a recent poll of the larger European cities. Hollywood is calling him. McOwen has just finished his medical studies at the University of London. McGloon is now a professional fencer. Pittman was recently elected mayor of Bacon's Castle after a strong fight against the Republican candidate, Larry Stanley. Fred Silverman is now sole owner of the Boston Bees and in private life is happily married. Stradley took over the managements of the Stradley Enterprises of Wilmington, Del. Stone is the leading politician of Crewe, Virginia. Just across the state a few miles is the domain of the most powerful figure in Virginia politics—Bill Stuart. Tariche is in the sugar business in Cuba. Thomas, M. O., is the city manager of Harrisonburg. Bill Thomas is now a full Lieutenant in the U.S.N. Thornhill has also purchased a third interest in A.M.A. Clay Welker has settled down to raising thoroughbreds in Kentucky. J. D. White has just purchased the Child Restaurant System and added it to his chain in Wytheville. Clint Whitehurst in 1953 won the Nobel Prize for Literature. His recently published book of poems is now a best seller. The Wong Brothers have incorporated themselves in the firm WONG, WONG and WONG, Architects. The most popular artist who has been designing covers for all the leading magazines is our own Nick Wreden. Spotty West is now the leader of a group of racketeers which are gaining control of the city of Newport News, a city that has recently become a metropolis. West is vigorously fought by Statesman Stuart.

Time is growing short and the lights have just been cut off, so we must stop until June 1955 when we shall again take up the life and lives of our illustrious alumni.

The RECALL

The time has come for leaving,
Thru these pages you lived day to day,
But at last the Spring turned to Summer
And you think of your folks far away.

"Go back" to the place where you came from,
Your thoughts in June seem to say,
And the days and nites go on endless
As you wait for the final day.

You've been in this school a year or more,
With many things hard by far,
But you know in your heart as the last night comes
You'll be proud from Augusta you are.

More Than a Matter of Conquest

Instrumentalities of death and destruction and brave men to operate them are not all that America requires in order to bring about adequate victory in the war now raging.

The home fires—the instrumentalities of day-to-day living—also need to be kept alive. For example, the mothers, the young people, and the aged of the civilian population should be surrounded as generously as possible with future financial security. In providing security of this kind, life insurance sets up defenses that are supremely dependable.
